***Medical examination reports** are valid for 15 months if the driver is under 40 years of age. If you have a copy of last year's report within this time frame, it can be re-used this year. If you don't have a copy but the medical report is still valid, you can pay a \$10 search fee which will be forwarded to NASR to copy last year's report. If you do not have a valid medical report or you are over 40 years of age, a medical practitioner is required to complete the NASR Medical Examination Form.
